“ *Wil always remember the fun Ruth and I had when visiting a our Grandmother's house in Mt. Pleasant NC. We grew up together Playing outside on the farm. Watching TV was not an option for kids in those days.*

My thoughts and Prayers to you, Janet and Sarah for your loss. Loosing a loved one is never easy but when so sudden it seems to be much harder to accept.

“ I went to school with Ruth at Gardner-Webb. She was such a funny and caring person. I loved her sense of humor. She could always make you feel better when you had a down day. It's a little quirky, but our friend group had a tradition of greeting each other with a little howl "Booooh!" when we would see each other on campus. I can still hear her doing that. She's a special lady, who will be missed!

Ruth, I'm looking forward to greeting you with a "Booooh!" when I see you in heaven!

“ Ruth Boger was my student at Gardner-Webb University. She was, indeed, a very special human being. She and her father drove to Rutherfordton, NC, to visit with me one time after I retired.

Her warm smile would light up a room. I am grateful to God that He brought Ruth Boger into my life space.
