“ Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.

“ Mike Boone and family: I wanted to express my sympathies in the death of your mom. What a remarkable achievement to live that long. I hope you and your family are well otherwise. Again, our sympathies upon the death of you mom. My mom is 87 and it gets harder for her to do many things but she insists on trying to live independently.
