“ I worked with Sally for many years at Nationwide. You could be having the worst day, but her infectious laugh would resonate through the building and you couldn't help but laugh too. Prayers for you all, may the sweet memories you have help over time soften the sharp edges around the hole in your heart. Sincerely, Leslie Simmerman

“ I worked with Sally at both Nationwide Insurance and Liberty Mutual Insurance for many years. We all loved Sally dearly. She always gave me her undivided attention when talking with her and her smile and laugh was so warm and personal. She was a great co-worker and a good friend to many of us. “ I meant Sally at one of the sadness times of her life. However, her big smile would never let you know it. She had an inner peace that could calm her. I only knew her for a short period of time, but I was lucky to have meant her . I only wish I could have gave her a miracle. She blessed me in ways she didn't realize . Heaven is brighter now, you earned those wings girlie... so soar!! ❤️

I met Sally in the 5th grade. In high school she welcomed me and grew to be one of the five some we spent all of our high school years with She has always been the most caring, loving person. We lost touch over the years but she has always been in my heart. I can hear her laugh in my heart. It breaks my heart she is gone. I always thought I would see her again. I should have tried harder. I should have told her how much I admired her. She was to be respected and I love and admire her so much. My heart is broken for her and her family. May God carry the family under his wing and protect them during this time. I only wish I would have told her myself
