“ My sympathies go out to Sam's family. Being my supervisor at NCF
for most of my time there, he believed in my abilities as a
dye/chem. mixer sometimes more than I did. He also treated me with
more respect than any supervisor I've ever worked for. He even
showed great interest in my activities away from the job, especially
my church softball playing. He taught me so much about the work
we did together and life in general, and I will take all of that with me
the rest of my life. Thank you, Sam for having been a big part of my
life. I'll miss you but I will never forget you!##imported-
