“ *My best friend Jimmy arrowood introduced me to scott three years ago and he told me how they both met. It was so heart felt the way jimmy spoke of him. I cant remember a day that scott would pass by my house and blow the horn even if I wasnt outside. Scott left behind a number of true friends which says a lot about the kind person he was.
Rest in peace scott. You will always be remembered.*

“ My uncle Scott was only 6 years older than I am. My greatest memory of him is just that he always let me hang out with him when I was small. He took me to his baseball games, he walked me and my brother to school and even when he had girlfriends he sometimes brought me with him. He married my aunt Kim and started their married life, and when I needed a safe place to go (usually when I did something stupid) I could always go to their house.

To my aunt Kim I wish for you healing and peace, To my mom and uncle Don and Aunt Judy, I hope your pain will be eased by time and love of your brother. To my cousins I cant even begin to imagine your loss but I envy you for have him as a dad. I love you uncle Scott and I will miss you always.....
