“ Frank, TJ, Joey, and Brad, please know that our thoughts and prayers are with you at this time. Sheila was a wonderful person who helped so many. She was so happy to have her boys back home with her. I hope that you will have nothing but the fondest memories of her. She loved all of you so very much. If there is anything that Bill or I can do, please let us know. We will all have an empty place in our hearts, but know that she is in a much better place where she will no longer suffer. SOME People
Some people come into our lives
and quickly go. Some people
move our souls to dance. They
awaken us to new understanding
with the passing whisper of their
wisdom. Some people make the
sky more beautiful to gaze upon.
They stay in our lives for awhile,
leave footprints on our hearts, and we are never, the same.
Shelia's footprints will forever be in my HEART. Debra##imported-

“ Please accept my sincere condolences on the loss of your Mother, Wife, Sister and Friend. Shelia was a inspiration to many and one heck of a fighter all the way to the end. To her sons, Shelia loved you with all her heart. She talked of mistakes and regrets she had but the one thing that stands out for me today is she loved her sons and never wanted to leave you.
