“ *Phyllis, Steven, Starr, Dillon and Karsen,*

*The past few days have been some of the hardest of my life. I am proud and thankful to call you my family. We have cried and laughed over the past few days and that has helped ease my pain. All of you are very special to me.*

*Phyllis, you are one of the strongest women I know and I can't begin to know the struggles that you have been through, but know that you did so with grace and strength beyond imagine.*

*We celebrated a wonderful girl's life this week and I, for one, am glad that we have another angel looking over us. I loved Stacy more than anyone will ever know and my heart is overjoyed that I had that special person in my life.*

*Take care and I will be here if you need me. I love you all.*

“ Phyllis,  
*It had been so long since I had been able to see Stacy, but I thought of her often. I have such a great memory of her going on and on about New Kids on the Block and it has made me smile and remember her these past few days. Stacy was so warm and caring and brightened up the room whenever she was around. I wish me and my family were there with you to celebrate Stacy's life today. She was and will always be a true gift.*

*I miss you all,*
