“ *I was in the 85 Saucon Valley class with Steve. He was a friend that we all had in our class as we all knew him for some reason or another. I knew him mainly through marching band and our trips together when the band traveled as well as the football games. Steve dated my sisters best friend throughout high school as well. I am very sorry for your families loss and will remember him fondly. Way to early for him to not be with us anymore and will always remember that smile he had.*

“ Steve was a funny great guy. Way back in the Polar Plastic days we used to do Dorney Park for the company picnic. He also would come up to see Me and my husband when we had parties. Lots of great memories and wonderful times. He will be sadly missed. Our hearts and prayers go out to his wife and family.

“ I am shocked and saddened by this news. Please know that I am praying for all of Steve's loved ones that are still here on earth. May God give you comfort and peace and sustain you now. May you lean on God for support and strength. And, don't be afraid to ask for help if you need it. I went to school with Steve from kindergarten through the first half of 7th grade. Steve Martin is the first boy I met in school. My Mom dropped me off kicking and screaming not to be left in this classroom of strange kids without her. Then, in walks Steve Martin who sits directly across from me as I am sitting there crying. Steve very quietly and calmly put his head in his hand, leaned to one side, and just stared at me. Well, I had no choice but to stop crying 'cause here's this kid just staring at me with this "Why are you crying?" look on his face. :) That's my first memory of Steve Martin. May God Bless you all.
