“ Sending love and prayers from the Dial/Starnes/Gilman family! I'll forever cherish those long hot days we all spent together in Darlington. Stevie was one of kind! As a teenager, Mom always took our church group to his restaurant when we were at Church camp in Hendersonville NC.

“ Prayers to all. He is finally at peace. Choosing to remember Stevie, as I knew him, when we were little and spending every Mothers Day at his grandmothers home in Darlington SC. Life was much easier then and we had no cares. Life changes as we grow and some choices we make are not the best for us or our families. You will be missed by many.
