“ We were very sad to hear of Steve’s passing. We shared so many fun times, and laughs together. I always looked forward to getting serenaded with Danny Boy on St. Paddy’s day. Our thoughts are with Sandy, Blair, and Scottie.

“ My cousin Steve was a bright light all of his life. Always joking, who was into magic for awhile & finding a laugh everywhere. I remember when he learned to drive he would go to all the houses that cooked a turkey at Thanksgiving to share in a turkey leg his favorite piece. And we were always so glad to see him! I remember him him being so full of life that anytime we knew he was coming over or would be somewhere we were going I & everybody else would be excited because it never seemed dull if Steve was there! I will really miss him dearly. RIP Dear Steve I will love you always.
My heart grieves for his wife Sandy & his sons Blair & Scottie. & for all of the rest of his friends & family.
