“ Bud was my 2nd Dad over half of my life, he stood beside me and kept me strong when I was young and felt like my world was crashing in around me.

He gave me his youngest girls hand in marriage, and now as a father of a little girl I see the trust it must have taken.

Bud, keep your watchful eye on us from above, I promise to love and protect your girls just as you would have , while you rest peacefully. See you again someday, I love and miss you!
