“ So sorry for your loss! My Prayers and love are being sent to all of you! She lit up the room when she entered! I know that she entered the gates of Heaven Talking smiling that sweet and loving smile as she talks! I took mom up to visit with her some years ago and we met at the Waffle House! After three hours the Waitress looked at me like are you guys ever going to leave! LOL I just shrugged my shoulders and smiled! They talked and talked and talked! I believe that that was the last time that either of them got to speak with one another! Now they can talk all they want and laugh at the wonderful times past! Bless each of you as your heart I am sure is breaking! I will not be able to get up there on Monday! I have tried my best to figure out a way to get off of work but cannot on this Monday! Please give my love to Julia Paul as well! Heaven has gained another angel and I am sure that so many people were there to welcome her as she entered! Love and Prayers to all, Ann Sides Horton
