“ Susan touched every single person she ever knew and never, ever met a stranger. Her genuine care & love for everybody in her life was so evident. She was a nurturing, compassionate 'mother' to us all. I am so incredibly heartbroken for her family & for all those/all of us who adored her. It will be impossible for the family to know how many lives she blessed, but I am one of them. Love & prayers to you all!

“ I am shocked and saddened to learn of Susan's passing. I worked with her many years ago at the Social Security office. She was smart, friendly, funny, and always willing to help. As a group, we would all go out to local restaurants frequently. Susan adored her family. She was an asset to her community, and she will be missed. Constantly keeping an "ear to the ground", you could always count on Susan to have the latest news (some might say "gossip" but we never saw it that way). May you rest in peace, Susan, and may her family and loved ones find comfort and peace as they grieve Susan's passing, while celebrating her life, a life well lived.

Michael and Family I am so sorry to learn of the passing of Susan. She was such fun, happy lady. I remember seeing and getting to know you all at the beach. Lipe knew you as a farmer and you were one of his favorite. Everytime we ran into you and Susan he thought he had to come and talk to you! Remember all the good times you and Susan enjoyed traveling since she retired and lean on your family and friends to keep you going. You have such a nice family that I'm sure will be there to support you! Prayers to all of you!
