“ *Prayers to the Fraley family. Aunt Sib (we called her Sivee) was so nice and funny. My kids loved her, she spoiled them every chance she got, and we enjoyed her visits down to my moms. I remember Sib asked Garrett where chocolate milk came from and he told her the refrigerator, we all got a good laugh from that. It hurts when they are gone but we know they are together and free from pain. Love, Jon Jacobs*

“ To the whole family,
I am so sorry about Sylvia . Sylvia was such a wonderful lady. I didn't realize that she was such a sports fan. May God bless you in the coming days and months ahead. My prayers are with all of you. May God continue to bless you with peace and happiness. Later on you will remember the funny things that she used to do and she will remain in your heart forever.
