“ I met Thelma Boulus at Trinity Oaks a few years ago when I started doing her hair. We hit it off automatically and I truly fell in love with her sweet and caring personality. I would even go and just talk with her in her room after I got off of work. I recently started doing hair down the hill at the other beauty shop and didn't really have a chance to to say goodbye, like I had planned on doing but because of the covid 19 rules that followed shortly after prevented me from doing that. I recently had her on my mind too, wondering how she was doing and missing her, so when I found out about her passing, my heart just broke! She will truly be missed by many, and my deepest sympathy and prayers go out to her family! I know she is in heaven reunited with her Al, the love of her life.

“ I'll miss our talks and my hiding spot in her room. When work was stressful or I just needed a moment away, she always offered me a chair and good conversation.
