“ We just learned of Thelma's home going. It saddens us to know that she is taken from us, but it is a joy knowing that she is with the LORD.

We sorrow because we are selfish. We hate to lose some one dear to us, but knowing that she is whole and complete in the Lord and in better health than she has ever been in, we should rejoice and praise God for His mercy and grace.

You are all in our prayers, as always, and just know that one day we will all meet again as long as we endure and persevere.

Love always
