“ Sandy & Family,  
Your mother was one more special lady. She always greeted everybody with a big bright smile every time you saw her, no matter how bad she may have been feeling that particular day. She always had a smile tucked away just for you. She was always glad to lend a helping hand any time she was needed, never would turn anybody down if she could possibly help it. She was One Of A Kind. And I know I'm not telling you anything you don't already know. But, please know she will be missed--And know you are and will continue to be in our prayers for awhile yet. We Love You Lady,
