“ Dear Tom, Thank you so much for you and your family for coming into my life. You and Pat welcome me with open arms and open hearts. Memories I often think of, You could be so funny, and I couldn't ever tell if you were trying to. You would come to work-out at the Y, and tell the front desk you were there for Sr. High Church Basketball and you would just smile. Love forever . Kenno

“ Mr Tom was one of the nicest men I ever had the pleasure of meeting and taking care of. In the 4 and 1/2 years I was in their house I would bet he said thank you 1000's of times. He always came in at night to tell his wife how much he loved her and thanked her for being his wife.
Mr Tom always went back in the living room to say the rosary at night then always caught it in the morning again on the TV. We arranged his breakfast around this time. His favorite was a cup of coffee yogurt followed by a scrambled egg with CRISP bacon! LOL
I loved this man with all my heart! I will miss him but I know he is getting his rewards in heaven like we all strive to do one day. Goodbye my friend. Til we meet again!
