“ It is with great sadness to hear about Tim's passing. We had many good days together selling cars @ Aaron Chevrolet. We also had many good times together going to dances and having fun meeting new people & making new friends. Tim was always picking with people and could always cheer up someone who wasn't having a good night. He always managed to get a smile out of everyone he talked with. I enjoyed the many times that we were together & all the fun we had. He will certainly be missed by me and many others that knew him. My deepest sympathy goes out to all his family and prayers are being ask from the Creator of the Universe that He give strength & support to each and everyone during this time of loss and in the days ahead. RIP My Friend. Jimmie Hartline

Thank you, Jimmie. Dad had a great time with you going to all the dances and would talk about how much he missed going since Covid shut so many down. You were a good friend to him in recent years and for that, I am grateful.

“ My husband Darren and I have known precious Mr. Loflin for many many years. We used to be Church Members together at High Rock Community where we heard many jokes, and stories. Always ALWAYS had hugs and a kiss on my forehead everytime he saw me. Hugged my hubby tight when he saw him. We just adored and loved him so. I know deep in my heart he and Gisela are walking the streets of hold hand n hand once more. Til we meet again Mr. Loflin.
