“ One of the most genuine people I've ever met. From our first hello, we were never strangers, really family. I have been blessed to call you and Ce family, and the kids have always been my niece and nephews. This is hard. You were a strong person. Going to your house and you're not there feels strange but it's like you're on the road. I guess this is just a long haul trip, and we will all see each other again. -Please don't screw up the seafood 🍷 lol- William, Lily and Rylan miss uncle Timmy, and I miss my birthday twin. Until next time Tim, -Over and out-
