“ I just want to say how sorry I am, and that I'll miss you as my neighbor. But I know that I know that you are wrapped in the arms of our loving Jesus. I learned so much about you and who you were and how much you cared about people. God has surely said, "well done, good and faithful servant." We will one day meet in the Heavens. That is His promise. Fly with the Angels Toney. You will surely be missed by many. <3

“ I have so many memories of Toney; but my favorite are the ones where we were laughing. She had the most contagious laugh! She was funny, deep, compassionate, real, humble, artistic, and perceptive. She was truly an amazing and unique person who contributed so much while she was here and who greatly impacted everyone who had the fortune to know her. She will be missed so very much, and I pray for all those who loved her.
