“ I just found out about tony today. 5 months after his passing. I have been trying to reconnect with my good friend for several years now, to no avail. He was a good friend to me. One of my best. We meet at ECU freshman year. To the Klein family I am sorry for your loss. I loved tony like a brother.

“ I sold books with Tony through Thomas Nelson and I am sorry to hear about his passing.
I know that there is no comfort for the family at this moment except the fact the Tony is no longer in pain.
So sorry for your lose, he is a good man.
