“ We are going to miss you so much, Nanny. You always had a smile for everyone and plenty of laughter too. I will always cherish our talks and giggles around the dining room table. All of our silly conversations and how we all laughed at Vonda for jumping the curbs. You had Wesley and Jay so spoiled, haha. You always treated them as if they were your son and grandson. I always felt comfortable talking to you about anything, no matter the issue. You helped us out so much in so many ways. I'm glad I was able to help you when you needed me. I'll miss you, but in time we will be together again and we can sit around God's table with all the others and laugh again. Until then I love you more. HA HA
