“ Thank you for the gift of love.
Now you're sharing it up above.
You had many things to say,
All in a caring way.
You always saw good in everyone,
No matter what they've done.
You were always the one we could all lean on,
Even though it must have felt like a ton.
You were always the strength of the family.
Now we must let you rest calmly.
We say goodbye,
As tears roll down our eyes.
I know your place in heaven has a good view.
You're telling God,
I need to keep an eye on a few.
I know you will always be in our hearts and minds.
So Grandma,
I must go, but I'll never forget you're one of a kind.

“ A beautiful angel, Saying O'Lord please leave me here
Not ready to leave but has to go
Wants to go back but God says no
Children, Grandchildren and friends
A meaningful life that suddenly ends
And angel is what she was meant to be
Now think of all that she can see
Watching over her family night and day
Saying I love you in her own special way
In the night we sleep and in the day we cry
While she watches us all from her star in the sky
