“ *When I was a kid, living overseas, coming back to the USA meant staying with my mom's family, and often that meant Aunt Ginny and Uncle Stanley. Those giant Uno games are some of my favorite childhood memories. Thanks for taking me in and making me feel like part of the family. I'm sorry not to have spent more time together in later years. I'm going to miss my Christmas/birthday card next month (you always remembered!) and I wish we could be eating pierogies right now.*
