“ My Uncle Gene was a wonderful person and I respected him greatly. He was kind, easy going, and I don't remember him ever getting upset about anything. He loved baseball and various other sports. He was a great baseball player, coach and umpire. He loved to garden and grew delicious cantaloupes. You'll always be loved, admired, respected, and missed Uncle Gene. Love always, Barth

“ Rest well Hube.

Why we called him Hube, I don't have the slightest. I went to school with Gene for twelve years. He spent many nights at our house (near the ice plant in East Spencer) and although bashful, would sit and eat supper with us each and every time that he was there at serving time and, later we slept in the front room of a house (not there now) about a block and a half from where he lived.

Gene was probably the best second baseman ever to come out of Rowan County or anywhere for that matter. Nothing (NOTHING) got by him and he always managed to get on base.

Gene taught me a lot, simply by not coming along (just flat out rejecting to come along (or participate in any form) in some of the evening shenanigans us neighborhood boys would plan.

I have a special place in my heart for Eugene and pray that I will see him again because I know without a doubt where he is>>>>>>> looking down on us while searching for a baseball or softball team to join.

Again,

Rest well my friend,

Charles (Charley) Loflin
