“ *Sisterhood: You my friend taught me what the true meaning of that word is. Though we were not born sisters', we were sisters by heart, soul, and spirit. Wendy, my sister, you will always live on in my heart and I will smile and laugh with the deepest heart felt laughter when I think of the times you and I shared. There will be a smile on my face even at the memories of the tears that was shared with you. I know you are up in the Heavens and the Angels are in awe of you girl, and all your glory. Some day I will meet you at the top my friend.* ##imported-begin##Sharla Bennett##imported-end##
