“ *My most treasured memories of Whitney are when I filled in at East Rowan as an SRO. She always came to say hi and smile and laugh and give hugs. My most favorite memory is of her dressed in her winter ball gown. Seeing her dressed like Cinderella or some other princess of my childhood dreams, all while she was thinking of other people at the ball and thinking only of them. Asking me if I needed anything while I worked security at the ball and checking on ne the whole time. That is who Whitney was though!* ”
