“ *Dave-My good friend of many years. I know that losing your father is not easy and nothing I say will change any of that. All you have to know is that he is at peace and no longer in pain here on earth. Know that you will meet him again and that I know he has to be very proud of you.*

Your friend John.

“ *I am so very sorry for the Billy's family's loss. Billy and I were the same age and I remember many summers in both Maryland and Salisbury with so many cousins close to my age. We were very fortunate to have such a large and wonderful extended family. My thoughts and prayers are with Nina Jo and the rest of the family during this sad time. Love to all - Sarah Ramsey Brooks*
