“ *Brandy...I will never forget the many memories we made together growing up. You were a Gray Y football player while I was a cheerleader cheering you on! Junior high with all of our close friends the great times we had at your house at the pool! Prom our Junior year...how we promised each other if we didn't have anybody to go with, we would go together...and we did! I will miss your smile, your laughter, but most of all the love you had for everyone! With all my love to you my friend!!! With God's grace...Christy Fuller Fulcher*
