“ Susan and family, Gene was a special man who told 'unforgettable' stories and seemed to remember everything! Even in high school he could 'talk to the walls' and never met a stranger. He will truly be missed, and will be remembered by all who knew him. May you all feel Gods comfort, love and peace in the days ahead.

“ I will miss all his replies to posts on Facebook. A lot of times, he showed me a different way of looking at things. He was quick witted, smart, sassy and quite funny. Prayers and hugs for you, Susan, Chris, Kim and family.

“ I am so glad I really got to know Gene by working on our class reunions together. Although I first met Gene at Salem Lutheran Church and then again at West Rowan High School, I really did not know him until the reunion meetings. He became a very dear friend whom I shall never forget. His wit and knowledge were unmatched by anyone and his friendship was second to none. He will truly be missed.
