

William M. Hall

June 6, 1940 - March 19, 2013

William M. Hall, 72, Cleveland, NC, passed into the loving arms of his Lord and Savior on March 19 after a long and courageous fight. He fought his illness like he lived his life, with everything he had.

Bill was born in Detroit, MI on June 6, 1940 to Clifford and Adelaide (McGrath) Hall and moved to North Carolina in 1985. He was a graduate of Northwood University in Midland, MI. Bill was preceded in death by his sister Ruth and brother John and is survived by his loving wife of 29 years, Sharon; his sisters Grace Howell of Milford, MI and Betty Leonard of Commerce, MI; children Michael (Mary Jo) Hall of Caledonia, MI; Heather Hall of Grand Rapids, MI; Christy (Kris) Gumper of Galesburg, MI; Todd (Gwen) Fletemier of Armada, MI; Heather (Craig) Miserlian of Harrison Township, MI; Scott (Kim) Fletemier of Cleveland, NC; Jim (Alexis) Fletemier of Salisbury, NC; 15 grandchildren and many nieces and nephews.

Since 1989, Bill and Sharon owned and operated Southern Aerosols in Cleveland, NC. Bill was a loving father, husband and grandfather. He was a deeply principled, hard-working and self-reliant man who believed one must live his life as an example to others. He loved a good challenge, was tough but fair and quick to offer a helping hand, especially to those who demonstrated initiative and motivation.

Bill touched many lives beyond his family during his life in Michigan and North Carolina and his passing will leave a void in the hearts of all who knew and loved him.

Visitation will be held from 6-8PM, Friday, March 22, 2013 at Summersett Funeral Home. Funeral service will be at 11AM, Saturday, March 23, 2013 in the Summersett Memorial Chapel with Rev. Tommy Cuthbertson and Rev. Philip Brown officiating. Burial will follow at Rowan Memorial Park cemetery. Summersett Funeral Home is serving the Hall family. Online condolences may be made at www.summersettfuneralhome.com.

“ *The last day Bill worked, I was able steal away into the office and have one of our 45 minute conversations and I can't even sit here and remember what we talked about. I didn't expect it to be our last visit or I would have held on to every word. Luckily, the day before he passed away Jim gave me a call and told me if I wanted to come see Bill, it needed to be soon and I got to go over to the house and say hey to him one last time. When Jim came by to tell us Bill had finished his fight with cancer, I had no initial sad feelings, he finally wasn't in pain and could get some rest. Once we gathered in the Chapel and Tommy started speaking from his heart, the weight of Bill not being at work on Monday morning hit me. He would have been so upset at me for crying, but I couldn't hold back the tears, no matter how hard I tried. As fond as I had grown of that old man, I knew it was going to be difficult not having him around. But like Tommy said, I do hope to see Bill again one day, because we will have a lot to talk about.##imported-begin##Bradley##imported-end##*

“ For the family, I couldn't have said this at the funeral but the Bill Hall that I've known for the last 10 years was a heck of a person. In the countless amount of talks we had, he was always eager to tell me about the good things that were going on in his kid's lives (Hall and Fletemier) and how proud he was of the families that you are raising. And while I might not have been able to recognize you by face, I did know you from the talks that Bill and I shared. He was the best boss I've ever had, I considered him a good friend and he was always there with a wisecrack when I deserved it, a kind word when I really needed it and some guiding advice when I asked for it. I am sorry for your families' loss and I will truly miss him and the influence he had on my life.##imported-begin##Bradley##imported-end##

“ We are so sorry for your loss. Uncle Bill was "our favorite". The laughs and stories will fill our hearts forever. His stories of what he did not do? He did do that stuff and his snoring will forever be with us. A gentle giant. Our prayers and love are with you.

“ Our sincerest sympathies and condolences to the family and friends of a dear man, now at peace with our Lord. To his nephews and nieces, Uncle Bill instills memories of our formative years, family get togethers, good times, and abundant laughter.

For me personally, I recall flashbacks of late night road trips to Gramma and Grampa's cabin on Traverse Bay; a little puppy he delivered while I was recovering from pneumonia in first grade (it wet his jacket!); pheasant and deer hunting trips; trap shooting; that hearty laugh; playing catch in the backyard; driving your hot car down the back roads (we didn't tell mom); a surprise visit he and Sharon made to Seattle; and many pranks too numerous to mention.

May others feel as blessed for having known a dear man, husband, father, uncle, and friend who lived well, laughed long, and loved many. Mike Wert##imported-begin##Mike Wert##imported-end##
