“ Bonnie, Jennifer, Billy: Our sympathy from a cousin who grew up almost as a brother. Remembering the good times helps to replace the sadness we feel. Such as the neighborhood backyard football games, backyard camping, late night card games, borrowing his dad's car when he was only thirteen so we could go cruising Salisbury. Riding horses and yes I'm sorry he broke his leg at age 11 when we hit a car while double riding a bicycle. Our grandfather gave all grandchildren a nickname probably before we could walk. Bill's nickname was "stump foot" probably good that kids didn't know that growing up and certainly didn't fit as he grew up, the way he could run. I also hope Bonnie can forgive me for banging on their door at midnight while on their honeymoon in Myrtle Beach. He will be missed and remembered. Rest in Peace CUZ..... Our thoughts are with you all.

“ *Much love and sympathy to all of you. We will miss Bill so much. We could not get over how much he responded to us when we visited him in the hospital. He told the doctor that Grimes "Bimmy" is what he called him to the Dr. and Robert Hornstein had me to skip school and we got caught. We were so happy that he could remember that and could talk so plain after the stroke. We loved that guy and will have some fond memories of the cookouts and ballgames and get togethers.*
