“ *Dear Kip and Sharon and families,  
I remember Billy being so funny, loving and devoted to his family. It has been a while since I saw him but Don (my husband had the opportunity to meet Billy) and I still talk about how humorous and full of life that he was! Growing up on Dunbrack Road was a wonderful experience. Always having the family surrounding us as we grew up. Those memories will always be with me. Most of the memories are of Granddaddy Jennings and Billy, Binky, and Merdie wrestling on the ground. At the same time grinning from ear to ear. I knew they were always around for me no matter what. Even though the miles have separated us, the memories are still in my mind. I know you will miss him but know he has left some wonderful memories! Take good care! Peace be to you and your families!
