“ I will always remember the fun and happy times we shared together. When we use to go spend time during the summer at Emerald Isle, I can remember the time I got hurt really bad and instead of you going fishing with everyone else, you stayed at the house with me and we played Go Fish. I have tons of memories like that. You were a very special person and a great role model. I love you Mawmaw and I will miss you so much! Love always, Michelle
