“ My thoughts and prayers are with the family at this time. Wynna and I were very good friends in my younger years.

I remember riding dirt bikes, fishing on the lake, sleep overs and she always had a beautiful spirit and smile. ❤️

“ My name is Sherri Grubb Mauldin. Not only did we go to school together but our families were neighbors when we were little. Wynna and I spent lots of time getting to know each other. Actually, when we were very young...Wynna and I had our first bicycle wreck together...lol...we also played restaurant by making mud pies and pouring sodas through a childs Pepsi machine with those tiny little glasses to serve with and snacking on raw beans...lol. I knew Wynna to be a free spirit. She was loving, kind and just made me proud to be a friend. I haven't seen her in many years but I do know that her family was her joy. I am certain she will be remembered with love and be missed deeply. RIP beautiful friend.
